

Basic 5 page overview

What you can expect when contracting Pristine Windows & Service Co, North Canterbury

Pristine Service Company has been serving the Canterbury market since 2001. We are NOT 'new comers', 'fly by nighters', or in for a 'quick buck'.

As a husband and wife operation (along with our key trained staff), we attend the Worlds Largest Cleaning Trade Show in Shanghai, China.

This allows us to remain ahead of any possible 'competitor' and utilize the very latest methodology, that otherwise takes up to 4 years to be implemented here

We are proven, reliable, professional and well respected in ALL our specialist areas of service work to you.

Honesty and integrity

Quality, cleanliness

Under promise and over deliver

On time performance and respect

These are all part of our company culture, which has seen us operate since 2001, and continually grow thru word of mouth and personal recommendation

All our work undertaken is fully guaranteed, and we will happily return to rectify any genuine issue our clients have in relation to our work carried out.

Carpet Cleaning – Guaranteed Result

As we build and grow this service, we have added some EXCLUSIVE, and well tested NEW TECHNOLOGIES

- Pre emergent for anticipated difficult stain zones
- Pre degreaser to aid in the successful clean of high traffic zones
- Deodorizers & sanitizers *(most other carpet cleaners will not even offer ONE of these steps, let alone all 3)!!*
- We aim to leave your carpets, and tiles semi dry (not soaked as is often the case)
- We have a choice of methods to suit your individual choice, and we will explain these in depth when beginning the job or quote period
- We have a truck mounted, high delivery vacuum system from the USA. This does not come cheap, but let's do the job 110% the first time!!!

Shower Glass Stain removal - Guaranteed

- Proven restoration and water stain removal
- Get your stained showers back to clean and crystal clear
- Maintain your newly cleaned showers using our exclusive paste packs, and never worry about water stains again
- Option for the High Quality, Full Warranted Nanotechnology Shield Protect on your showers – Ask More about Easy Clean Non Stain

Window cleaning – Large Technical Specialist

With over 11 years experience in this field, we can honestly state we know how to carry out ANY technical window cleaning job requested, NO MATTER how large of how HIGH it may be.

We utilize

- Iconic and Tucker Pole extension technologies for height relevant safety and access. These are latest carbon fibre technology, and can reach up to and above 65Feet (5 stories) plus
- Cherry picker on client request and in special circumstances when this added layer of safety and access is required
- Abseil service is available on request, and Height is unlimited for any building here in New Zealand
- Pre emergent and softener, PLUS anti static components are added to our washing mix on most jobs as required. This aids in a professional streak free resultant, even in low sun strike conditions.
- We Clean down Joinery, and door tracks, channels (at No additional charge) This can occasionally require an additional restoration paste (Yes we can offer this to your faded and weather beaten joinery at a small additional charge)
- Pristine will travel anywhere in Canterbury, where most other 'window cleaners' can't be bothered to roam.
- Free Quotes (obviously) however due our dedicated Mon- Sat Office, they have the technologies to 'google earth' or locate your property via the WEB, and offer a relatively accurate estimate (we don't drive over 30kms just to quote). These are done at time of beginning your chosen service(s)
- Quality and clean uniformed staff.
- Police checked and hand picked for their aptitude and ability
- Fully branded vehicles. Easy for you and neighbours to identify
- GPS Tracked vehicle fleet Allows our Office Admin team to deliver a far better time line and location reports
- Pristine Windows carries insurance for most accidents, or incidents

Pest Control – Latest Technologies

Flies – Ants – Spiders – Rodents – Cluster Flies – Bed Bugs – MAF GOVT Certified - ERMA

Pristine have been servicing both suburban and Rural clients for many years. We are qualified and certified (ERMA) as per new Government legislation. It is totally illegal for any Pest Operator to both Buy, and or use these products if NOT ERMA certified. We are doing what we can to eliminate these operators from the industry.

We utilize

- 'State of the art' latest technologies (A lot has developed in this industry these last 5-10 years). No we do not use outdated chemicals like DDT, or similar
- Quality and tested delivery equipment. No leakage, no dangerous or damaging staining
- Both exterior and interior (fine directional delivery – external), Highly adjustable Vapor delivery – Internal
- Thorough Pre-service cross check sheet (both Client and Pristine) This procedure is provided to you well before we arrive on the job.
- Information on what will be used, and applied is also provided to you the client (Its important to us you are fully aware, and can prepare accordingly)
- Guarantee on regions and job requested. Pristine will also attend to your fences, and additional zones (often at No or a small additional charge)
- Pristine are MAF certified, and can Thermal FOG, containers, or sensitive zones as required
- Rodents can be eradicated, and this may take a number of calls, along with YOU our clients support in its success. It's often a team plan.

Lawn Mow and Lawn Maintenance

Pristine has invested in a substantial Machine that offers the following

- Super Fine Cut option for discerning property owners, or fully tailored Mow from the 10 acre Lifestyle block, down to the 1 acre 'kids' cricket pitch (We do not service smaller sections). Call a local franchise business for this The machine is an 'American Hustler.' It travels 14Km phr, and the cutting results are amazing
- We do NOT catch grass, s this machine is designed as a mulcher. Also the time it takes to catch would be on-charged to you, or client.. and most clients will not pay \$120 +/- per hour
- The Mulch is fine, and when we utilize a specific mow pattern, its results are not only affordable, but terrific
- Due the expense and investment in this Machine, we do NOT offer a self drive rental option. (non negotiable) But we have endeavored to keep the hourly cost down

House & Roof Pressure Wash –

Removal of stubborn engrained and stained weather surfaces

Concrete walkways and driveways – Concrete and terracotta Roofs – House Walls, Fences and more.

We can utilize a Pre-emergent Spray, which softens the removal and aids in a greater clean result. We Utilize a adjustable pressure delivery, High Volume low pressure, or as required on various surfaces

Most of these 'Wet and Walk Away' styled cleaners deliver a very questionable result... trust us we have seen it all. Call us, we WILL get the result you want

Concrete and Stone Shield & Protect –

We utilize exclusive (YES only available to us) Nanotechnology Sealants. They out perform polymers and aged technology sealers hands down. Ask us more
